**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Its very important to me to maintain a competitive broadband market. I specifically chose a local, small broadband provider because they offer good customer service and a commitment to the community. They also provide competitive pricing that is accessible to all. Competition is central to creating fair open markets.
